

Teachers and Parents: Have you tried

## WHAT is Mathville 1?

It's a web-based math resource designed to make math fun for Ontario grade 1 students. To students it looks like a game collection, but each of the 12 activities addresses an important topic in the Ontario grade 1 math curriculum.

## HOW do you get to Mathville?

Over the internet - from school, from home, wherever you and your students use the internet,

go to: **[www.mathville.com/grade1](http://www.mathville.com/grade1)**

enter the user name: **fun140**

and the password: **numbers**

It's as easy as that!

Mathville 1 is licensed for school and home use by all Ontario teachers and students - you can use it anytime, anywhere. Give it a try.
